Hello, Jill. What is Career Day?

We all go to school and speak about the professions of our relatives and family friends. For example, some children wear a policeman's uniform, and some wear driver's clothes.

Oh, cool! What are your parents?

Well, my mother is a pilot, and my father is a teacher.

Tell me about your classmates.

Jenny was a nurse, because her granny works in a hospital and helps doctors. Fred's granddad is an optician. He helps people to see well. So Fred wore an optician's uniform. Kate's uncle is an actor, and she wore his boots and his hat. And Den put on a clown's costume because his father is a clown in a circus.

It sounds interesting. Thanks, Jill!

Oh, I like to visit my grandparents, too. Sorry, Jack, I'm busy! Later.

I'm back! Cool! Do you have any parks or markets there?

Oh, yes, there is a noisy market with seafood and fresh vegetables in the centre of the village. And there are forests and mountains near the village. There is a beautiful old church and a pub with delicious food. For children, there is a big playground in the central square.

Do you celebrate Christmas at your school? Our pupils would like to have a Christmas party in our school cafeteria this year. We always have a big party and we usually order a turkey with vegetables and a Christmas pudding for dinner. Before the party we have a special show which tells us the story of Christmas. This year Mary and I would like to be angels. We also sing Christmas carols, dance and play games. One of them is "Secret Santa"! Everyone buys a present for one of their classmates and puts it under our Christmas tree. And then everybody guesses who his or her Secret Santa is. This year we would also like to help poor people, so we are selling our crafts at Christmas markets to collect money for them.

April Fools' Day (or All Fools' Day) is an international day of fun. It's a day for playing jokes in many countries around the world. Each year people invent new jokes to play on each other on the first of April.

On that day the Americans and the British play jokes on family, friends and strangers. A common joke is to point to a friend's shoe and say "Oh! Your shoe's untied!"

In France and Italy, children like to stick paper fish to their friends' backs. It's also popular to give each other chocolate fish as presents.

In Ukraine, we call this day Humor Day or Day of Laughter. Ukrainian children usually tell a friend that there are no lessons at school on that day!

GAME AND PROJECT INSTRUCTIONS*

Unit 1

Lesson 1

Учитель/Учителька записує на дошці слова: *good, see, a, bye, day, how, you, OK, have, are, evening, to, nice, thanks, I'm, too, sorry, morning*. Діти протягом 5 хвилин мають скласти якомога більше фраз із вивчених протягом уроку і записати їх у зошит.

Lesson 2

Клас розподіляється на дві команди. Учитель/Учителька називає речення про традиції святкування Дня знань, частина з яких відповідає дійсності, частина — ні, вживаючи *always, usually, often, sometimes, never*. Діти кожної команди мають погодитись або виправити речення. За кожну правильну відповідь надається один бал.

Lessons 3—4

Учитель/Учителька готує два набори карток, поділяє клас на дві групи і роздає по одній картці з набору учням/ученицям кожної. Словосполучення на картках можуть бути такими: *listen to music, draw pictures, sing songs, read stories, take photos* тощо. Діти пересуваються по класу і ставлять запитання один одному/одна одній, вживаючи слова з картки: *Do you sing songs?* Перемагають перші три пари, які знайшли того/ту, у кого те ж саме вподобання.

Lesson 5

Клас поділяється на групи по 4—5 дітей. Хтось із них загадує день тижня і, не називаючи його, говорить, які уроки є в цей день. Інші намагаються відгадати, про що йдеться. Той/Та, хто надасть правильну відповідь, загадує наступним/наступною.

Lessons 6—7

Клас поділяється на дві групи. Учитель/Учителька розкладає два набори карток з написаним на них часом на партах цифрами донизу. Учні/Учениці по черзі виходять, беруть по одній картці й передають її дітям протилежної команди із запитанням "What's the time?", той/та має назвати час. За кожну правильну відповідь надається один бал. Перемагає команда з найбільшою кількістю балів.

Lesson 8

Діти рухаються по колу, вимовляючи слова вірша. Хтось стоїть у центрі й жестами показує, що саме він/вона робить, інші мають обрати правильне слово і вставити його у вірш. Той/Та, хто робить помилку, вибуває з гри.

Lesson 10

Матеріал для проєкту: кольоровий папір або картон, кольорові олівці, фломастери, ножиці, клей, довга мотузка для виготовлення гірлянди з малюнків, клейка стрічка.

Кожна дитина малює на аркуші кольорового паперу свій улюблений шкільний предмет і пише внизу своє ім'я. Потім усі разом виготовляють гірлянду — приклеюють малюнки на мотузку, загинаючи верхній край. Прикріпіть гірлянду до дошки або до стіни за допомогою клейкої стрічки.

* Тексти призначені для вчителя.

Lessons 11—12

Учні/Учениці поділяються на групи по троє-четверо і, по черзі кидаючи кубик, пересувають свої фішки на відповідну клітинку й виконують завдання. Гравець/Гравчиня, що не впорався/впоралась із завданням, пересуває свою фішку на дві клітинки назад. Виграє той/та, хто першим/першою дістанеться фінішу.

Unit 2

Lesson 1

Клас поділяється на дві групи, учні/учениці однієї отримують по одній картці, яка містить анкетну інформацію: ім'я дитини, вік, країну. Діти другої групи мають пересуваючись по класу, за 7—8 хвилин «познайомитися» з якомога більшою кількістю людей і записати їх відповіді. По закінченні часу всі мають розповісти, скільки «друзів/подруг» вони завели, скільки їм років і звідки вони. Перемагає той/та, хто опитає більше дітей.

Lesson 2

Клас поділяється на дві команди. Учитель/Учителька каже речення про членів родини за поданим зразком, учні/учениці кожної з команд по черзі відповідають. За кожну правильну відповідь надається один бал.

Lessons 3—4

Перед початком уроку учитель/учителька готує аркуші паперу з написаними на них назвами професій (порівну тих, що починаються з голосної та приголосної) і ховає їх у класі в різних місцях. На уроці діти поділяються на дві команди, одна з яких має знайти всі папірці з назвами професій, перед якими можна поставити артикль «а», друга — з тими, перед якими можна вживати артикль «an». Перемагає команда, яка першою впоралась із завданням.

Lesson 5

Клас поділяється на дві команди. Учитель/Учителька говорить речення, порівнюючи об'єкти населеного пункту, де вони живуть, або речі, що є в школі. Твердження мають бути правильні і неправильні, щоб діти могли погодитися чи виправити помилку. За кожну правильну відповідь надається один бал.

Lessons 6—7

Уважно роздивись карту й обери місце, куди б ти хотів запросити свого друга/свою подругу. А звідки він/вона до тебе буде йти? Розкажи своєму другу/своїй подрузі, як він/вона може знайти тебе.

Lesson 8

Клас поділяється на дві команди, учні/учениці кожної ланцюжком виходять до дошки. Учитель/Учителька диктує літери лексичних одиниць, вивчених у цьому розділі, у будь-якому порядку. Діти записують літери на дошці й мають скласти з них слово. Хто першим/першою правильно виконає завдання, отримує один бал.

Lesson 10

Матеріал для проєкту: паперові стаканчики, кольоровий папір, шпажки для виготовлення прапорців із назвами або символами об'єктів, клей, ножиці, фарби, фломастери.

Виготовляйте різні об'єкти у місті. Наприклад, це можуть бути житловий будинок, школа, кав'ярня, супермаркет, зоопарк, цирк, парк тощо. Спочатку розфарбуйте паперові стаканчики різними фарбами. Потім зробіть з кольорового паперу конусоподібний дах. Для цього візьміть прямокутний аркуш відповідного розміру, скрутіть його конусом і склейте. Рівно обріжте по краю і прикріпіть зверху за допомогою клею до перегорнутого паперового стаканчика. Далі намалюйте на своїх стаканчиках дверцята й віконця, а також прикрасьте їх відповідним декором. Напишіть назви об'єктів на папірцях, які ви можете прикріпити зверху за допомогою шпажок. Також за допомогою шпажок можна прикріпити символи, що позначають різні об'єкти, наприклад книжку для книгарні, кобіток для крамниці взуття і тому подібне.

Замість паперових стаканчиків можна використати білий або кольоровий картон, з якого можна виготовити циліндроподібні об'єкти, до яких кріпиться дах.

Lessons 11—12

Учні/Учениці поділяються на групи по трое-чотверо і, по черзі кидаючи кубик, пересувають свої фішки на відповідну клітинку й виконують завдання. Гравець/Гравчиня, що не впорався/впоралась із завданням, пересуває свою фішку на дві клітинки назад. Виграє той/та, хто першим/першою дістанеться фінішу.

Unit 3

Lesson 1

Учитель/Учителька говорить слова: назви меблів, будь-яких предметів і кімнат. Діти мають записати лише назви кімнат. Потім двоє-троє читають записане. Перемагає той/та, хто правильно називає усі слова.

Lesson 2

Всі отримують по дві однакові схеми квартири, в якій не підписані назви кімнат. Діти самостійно визначають, які саме приміщення і в якому порядку розташовані на їхній схемі, не повідомляючи цю інформацію партнеру/партнерці. Потім у парах обговорюють, що в них вийшло, й малюють схеми, описані напарником/напарницею, після чого порівнюють свої роботи.

Lessons 3—4

Учитель/Учителька говорить назви меблів для спальні й вітальні, діти мають підняти вгору аркуш паперу з надписом *Bedroom* або *Living Room*. Якщо якась річ може бути й у спальні, й у вітальні, діти піднімають два аркуші. Той/Та, хто робить помилку, вибуває з гри.

Lesson 7—8

Клас поділяється на дві команди. Учні/Учениці однієї з них загадують кімнату і дію, і хтось жестами показує, що саме він/вона робить, суперники/суперниці мають здогадатись, що це за дія і в якій кімнаті вона відбувається. Потім команди міняються місцями і гра продовжується.

Lesson 10

Матеріал для проєкту: білий або кольоровий картон, ножиці, клей, кілька невеликих магнітів або канцелярські кнопки, фломастери, дошка.

Кожна дитина виготовляє для себе комплект меблів, що є в її кімнаті. Намалюйте меблі на картоні й виріжте їх. Розфарбуйте або прикрасьте меблі за бажанням. Потім приклейте до меблів зі зворотного боку невеликі магніти. Також можна скористатися канцелярськими кнопками.

Грайте в парах. Обмінюйтеся комплектами меблів, які ви виготовили, й розділіть дошку на дві частини. По черзі запитуйте одне одного про розташування меблів у кімнаті й розмішуйте їх на дошці відповідно до почутих відповідей. У кінці гравці/гравчині мають перевірити, наскільки точно вони змогли відтворити кімнату один одного/одна одної.

Lessons 11—12

Учні/Учениці поділяються на групи по трое-чотверо і, по черзі кидаючи кубик, пересувають свої фішки на відповідну клітинку й виконують завдання. Гравець/Гравчиня, що не впорався/впоралась із завданням, пересуває свою фішку на дві клітинки назад. Виграє той/та, хто першим/першою дістанеться фінішу.

Unit 4

Lesson 1

Хтось говорить, що він/вона хотів/хотіла б збити, наступна дитина повторює фразу першої, змінивши займенник на "he" або "she", й додає своє побажання тощо. Хто помиляється, вибуває з гри.

Lesson 2

Учень/Учениця виходить до дошки й мімікою та жестами показує, чого він/вона хоче досягти в цьому році, інші намагаються відгадати й сформулювати новорічне рішення. Той/Та, хто впорається з цим завданням, виходить до дошки наступним/наступною.

Lesson 3

Кожна дитина бере невеликий аркуш картону й пише на ньому з одного боку коротке різдвяне побажання, а з другого — ім'я людини, якій ця «листочка» призначається. Той/Та, хто отримає найбільшу кількість «листочок» без помилок, стає переможцем/переможницею.

Lessons 7—8

Діти в парах по черзі називають цифри. Партнеру/Партнерці потрібно правильно записати почуте й назвати відповідний порядковий числівник. Виграє той/та, у кого за 5 хвилин буде більше правильних відповідей.

Lesson 10

Матеріал для проєкту: білий або кольоровий картон, олівець, ножиці, клей, фломастери, шнурок або резинка, декор, шаблони для виготовлення масок.

Кожна дитина обирає собі персонаж і виготовляє маску. Це можуть бути казкові персонажі або тваринки. Намалюйте свого персонажа у вигляді маски. Можна скористатися готовими шаблонами для виготовлення масок. Виріжте маску за контуром. Не забудьте вирізати отвори для очей. Потім розфарбуйте й прикрасьте маску відповідно до обраного персонажа. Після цього зробіть з обох боків маски два маленьких отвори й закріпіть шнурок, за допомогою якого маска триматиметься.

Влаштуйте презентацію ваших масок. Надягніть їх і рухайтесь вільно у класі, намагаючись знайти собі співрозмовників. Розіграйте знайомства й вітайте один одного/одна одну з Новим роком.

Lessons 11—12

Учні/Учениці поділяються на групи по троє-четверо і, по черзі кидаючи кубик, пересувають свої фішки на відповідну клітинку й виконують завдання. Гравець/Гравчиня, що не впорався/впоралась із завданням, пересуває свою фішку на дві клітинки назад. Виграє той/та, хто першим/першою дістанеться фінішу.

Unit 5

Lessons 1—2

Клас поділяється на дві групи, й учні/учениці кожної отримують аркуш паперу. На одних клаптиках паперу написані проблеми, на інших — поради для їх розв'язання. Діти, переміщуючись по своїй частині класу, ставлять запитання "How are you?" і відповідають на нього. Мета гри — знайти свою пару, щоб проблема і порада збіглися. Перемагає та група, пари якої швидше знайдуть один одного/одна одну.

Lesson 3

Хтось стає в центрі кола та жестами показує, що за проблема зі здоров'ям у нього/неї є. Решта класу рухаються по колу і проговорюють римування, вставляючи те слово, яке їм показують. Якщо надана відповідь правильна, у коло стає інший учень/інша учениця і гра продовжується.

Lesson 4

Усі отримують по одній картці, на яких написано назви продуктів: *sweets, apples, juice, cola, pizza, soup, meat, fish, tomatoes* тощо. Діти рухаються по колу, хтось стоїть у центрі й говорить римування, вставляючи те, що зазначено у нього/неї на картці. Решта відповідає за зразком залежно від того, здорова ця їжа чи ні. Діти виходять у центр кола по черзі.

Lessons 5—6

Клас поділяється на дві команди. Кожен учень/Кожна учениця однієї команди отримує картку з написаною проблемою, протилежної — з порадою. Діти, пересуваючись по класу, спілкуються, намагаючись знайти свою пару, щоб проблема відповідала пораді. Перемагають перші три пари.

Lesson 7

Діти рухаються по колу, вимовляють слова римування і жестами показують відповідні дії.

If you want to be healthy,
You should do some simple things.
Brush your teeth in the morning,
Go jogging in the morning,

Have a good time with your friends,

Have a good mood every day.

Try to follow these tips.

Lesson 8

Клас поділяється на дві команди, діти кожної по черзі виходять до дошки. Учитель/Учителька диктує літери слів з вивчених у будь-якому порядку. Діти записують літери на дошці й мають скласти з них слово. Хто першим/першою правильно виконає завдання, отримує один бал.

Lesson 10

Матеріал для проєкту: аркуш паперу формату А3 або ватман, олівці, фломастери, клей, ножиці, малюнки, які ілюструють здоровий спосіб життя (зубна паста й щітка, мило, душ, фрукти й овочі, парк, велосипед, спортивні снаряди тощо) і які ілюструють шкідливий спосіб життя (перекреслене мило, багато солодоців, гамбургер і кола, різні гаджети з ігровим контентом тощо).

Діти в групах виготовляють плакати про здоровий і шкідливий спосіб життя. Візьміть аркуш паперу й розділіть його на дві частини. Напишіть зверху заголовки: *Healthy/Unhealthy*. Намалюйте у кожній частині плаката ваших персонажів — динозавриків. Вигадайте їм імена й напишіть їх поряд із малюнками. Далі виріжте зображення, що ілюструють різні аспекти життя, та розділіть їх за двома групами за принципом «здоровий спосіб життя»/«нездоровий спосіб життя». Наклейте ці малюнки на ваш плакат відповідно до заголовків.

Lessons 11—12

Учні/Учениці поділяються на групи по троє-четверо і, по черзі кидаючи кубик, пересувають свої фішки на відповідну клітинку й виконують завдання. Гравець/Гравчиня, що не впорався/впоралась із завданням, пересуває свою фішку на дві клітинки назад. Виграє той/та, хто першим/першою дістанеться фінішу.

Unit 6

Lessons 1—2

Хтось стає в центр кола й жестами показує якийсь вид спорту. Інші діти рухаються по колу і, декламуючи римування, мають здогадатись і підставити відповідні слова у чант. Якщо надана відповідь правильна, у центр кола стає хтось інший і гра продовжується.

Sport is health and sport is fun.

Sport is good for everyone.

Let's play *football (hockey/tennis)*.

That's my choice.

This is a game for girls and boys.

Let's go *swimming (cycling/skiing)*.

That's my choice.

This is a sport for girls and boys.
Sport is health and sport is fun.
Sport is good for everyone.

Lessons 3—4

Учні/Учениці грають у парах, кожна отримує набір карток. Діти одночасно витягують по одній картці, ставлять по черзі запитання й надають відповіді: *Did you ski yesterday? — No, I didn't. I swam yesterday. Did you run yesterday?*

Lesson 5

Діти працюють у парах, кожна отримує набір карток з назвами продуктів харчування і їх кількістю. Учні/Учениці по черзі беруть по одній картці й повідомляють, що вони вчора купили. Партнер/Партнерка запитує: *How many/much ... did you buy?* Якщо сказано правильно, той/та, хто запитував/запитувала, забирає картку собі, якщо неправильно — картка залишається в дитини, яка взяла її. Перемагає той/та, у кого буде більше карток наприкінці гри.

Lessons 6—7

Клас поділяється на дві групи: продавців і покупців. Кожен «покупець» отримує картку з назвою товару, що він/вона хоче купити, кожен «продавець» — картку з назвою магазину, товаром і ціною. Назви магазинів будуть повторюватись, але товари мають бути різними, щоб усі знайшли свою пару. Перемагають перші три пари, що знайдуть один одного/одну.

Lesson 8

Клас поділяється на дві команди. Учні/Учениці однієї загадують когось із героїв фільму або книжки і розповідають про нього/неї, додаючи по одному реченню, але не називаючи імені. Команда-суперниця має назвати цього героя (є лише три спроби). Якщо відповідь правильна, команди міняються ролями. Якщо ні, команда загадує іншого героя.

Lesson 10

Матеріал для проєкту: білий картон, олівець, фарби й пензлик/кольорові олівці/фломастери, ножиці, клей, кольоровий картон для виготовлення ширми, шаблони для виготовлення мультиплікаційних персонажів, смартфон із функцією зйомки й відеозапису.

Оберіть мультиплікаційних персонажів, про яких ви хочете зняти мультфільм. Намалюйте на білому картоні ваших персонажів або скористайтеся готовими шаблонами. Розфарбуйте фігурки фарбами, кольоровими олівцями або фломастерами й виріжте їх. Виріжте смужки з кольорового картону й склейте їх у вигляді маленьких трубочок, щоб туди міг поміститися вказівний палець. Приклейте трубочки до фігурок зі зворотного боку. Потім змайструйте з кольорового картону ширму. Обсудіть, про що ви хочете зняти мультфільм, і напишіть репліки персонажів на аркуші паперу. Далі розподіліть ролі: хтось із вас буде кінооператором/кінооператоркою, а решта гратиме ролі персонажів. Актори мають схватитися за ширмою й розіграти виставу, яку кінооператор/

кінооператорка зніме на мобільний телефон. Попросіть дорослих про допомогу зі зйомкою.

Lessons 11—12

Учні/Учениці поділяються на групи по троє-чотири, по черзі кидаючи кубик, пересувають свої фішки на відповідну клітинку й виконують завдання. Гравець/Гравчиня, що не впорався/впоралась із завданням, пересуває свою фішку на дві клітинки назад. Виграє той/та, хто першим/першою дістанеться фінішу.

Unit 7

Lesson 1

Діти грають у парах, кожна отримує набір карток з малюнками чи написаними словами й розкладає їх на парті текстами донизу. Учні/Учениці по черзі беруть картки й розповідають, що там написано, партнер/партнерка має назвати погоду. Якщо надано правильну відповідь, дитина, що відповідала, забирає картку собі. Якщо ні, картка залишається у того/тієї, хто її взяв. Перемагає учень/учениця, у якого/якої наприкінці гри буде більше карток.

Lessons 2—3

Діти загадують, де вони були, виходять до дошки й дають кілька підказок. Решта ланцюжком ставить запитання, намагаючись відгадати назву цього місця. Хто надав правильну відповідь, загадує наступне слово тощо.

Lesson 4

Одна дитина загадує тварину. Решта ланцюжком ставить запитання, намагаючись відгадати. Хто надає правильну відповідь, загадує іншу тварину.

Lesson 5

Діти рухаються по колу й співають, після кожного куплету вони зупиняються й показують тварину, про яку йшлося (імітують рухи, звуки тощо). Під час гри можна використати малюнки чи маски тварин.

Lessons 6—7

Діти працюють у парах: перший учень/перша учениця говорить, яких тварин він/вона бачив/бачила у зоопарку, другий/друга — яких він/вона не бачив/бачила. Потім хтось інший каже, що йому/їй сподобалось, а перший/перша — що ні.

Lesson 8

Клас поділяється на дві команди, учні/учениці кожної ланцюжком виходять до дошки. Учителю/Учителька диктує літери слів з вивчених у будь-якому порядку. Діти записують літери на дошці і мають скласти з них слово. Хто першим/першою правильно виконає завдання, отримує один бал. Перемагає команда з більшою кількістю балів.

Lesson 10

Матеріал для проєкту: фетр або подібна до нього цупка тканина, крейда, клей, ножиці, голка й нитка, декор для оформлення обличчя (гудзики, нитки,

стрічки тощо), шаблони з фігурами тварин місцевої фауни, картки з назвами тварин місцевої фауни, наприклад: *hare, frog, wolf, fox, mouse*.

Оберіть тварин за допомогою жеребкування: кожен витягує аркуш і читає назву. Потім ви маєте виготовити своїх тваринок. Візьміть тканину відповідного кольору. Накресліть крейдою контур фігури, ви можете для цього скористатися шаблонами. Виріжте фігуру за контуром і зшийте краї нитками, залишивши знизу отвір для руки. Після цього зробіть тваринці обличчя. Очі й ніс можна зробити з гудзиків, пришити або приклеїти їх на відповідні місця. Рот можна зробити з ниток або стрічок. Потім оберіть ведучого або ведучу, який/яка розповідатиме про тварин вашої місцевості. Решта має презентувати своїх тварин, привітатися й відрекомендуватися.

Lessons 11—12

1. Let's play.

Учні/Учениці поділяються на групи по троє-четверо і, по черзі кидаючи кубик, пересувають свої фішки на відповідну клітинку й виконують завдання. Гравець/Гравчиня, що не впорався/впоралась із завданням, пересуває свою фішку на дві клітинки назад. Виграє той/та, хто першим/першою дістанеться фінішу.

2. Listen and sing. Draw a map.

Діти співають про різних тварин, а потім, спираючись на текст, намагаються намалювати лабіринт з різними локаціями й тваринами в них.

In the forest, in the forest
What animal did you see?
I saw a brown bear
that walked with me.

...a red squirrel
jumping up the tree.

In the jungle, in the jungle
What animal did you see?
I saw a cool monkey
climbing up the tree.

...a big elephant
waving a trunk at me.

In the desert, in the desert
What animal did you see?
I saw a green lizard
crawling near me.

...a pink ostrich
running away from me.

On the farm, on the farm
What animal did you see?
I saw ten funny chickens
running round me.

...twenty yellow bees
buzzing in the trees.

In the water, in the water
What animal did you see?
I saw a green crocodile
swimming up to me.

...a funny dolphin
playing in the sea.

Unit 8

Lessons 1—2

Клас поділяється на дві групи. Учні/Учениці кожної отримують по одній картці з набору. Пересуваючись класом, діти спілкуються, їх завдання — знайти того/ту, у кого така ж сама інформація в картці. Перемагають перші 3 пари.

Lesson 3

Кожен учень/Кожна учениця отримує одну картку з набору. Завдання дітей — спілкуючись з іншими, знайти інформацію, якої не вистачає в їхніх квитках. Перемагає перша трійка.

Lesson 4

Клас поділяється на дві команди. Учитель/Учителька говорить речення у минулому й майбутньому часах, але без слів *yesterday* чи *tomorrow*. Учні обох команд по черзі доповнюють речення одним із цих слів. За кожну правильну відповідь надається один бал.

Lesson 5

Діти мають скласти якомога більше речень протягом 5 хвилин. Троє, що склали більше правильних тверджень, є переможцями.

Lessons 6—7

Діти грають у парах, кожна з яких отримує набір карток і розкладає їх на парті реченнями донизу. Учні/Учениці по черзі беруть картки, читають речення і відповідають. Якщо відповідь правильна, той/та, хто відповідав/відповідала, забирає картку собі, якщо ні — партнер/партнерка відповідає і забирає картку собі. Перемагає той/та, у кого буде більше карток наприкінці гри.

Lesson 8

Клас поділяється на дві команди, учні/учениці кожної ланцюжком виходять до дошки. Учитель/Учителька диктує букви слів з вивчених у будь-якому порядку. Учні/Учениці записують літери на дошці і мають скласти з них слово. Хто першим/першою правильно виконає завдання, отримує один бал.

Lesson 9

Матеріал для проекту: папір для малювання, фарби й пензлик або кольорові олівці, аркуш паперу формату А3 або ватман, олівці, фломастери, клей.

Кожен має намалювати свій улюблений вид транспорту. Потім зберіть усі малюнки й розсортуйте їх за видами транспорту. Порахуйте кожну групу малюнків і визначте їхню позицію в рейтингу від 1 до 5: найбільша група малюнків займає перше місце, найменша — п'яте. Впишіть на плакат стовпчиком список місць від першого до п'ятого. Приклейте ваші малюнки на відповідні місця, залежно від позиції в рейтингу. Напишіть заголовок для вашого плаката й прокоментуйте рейтинг.

Lessons 10—12

Учні/Учениці поділяються на групи по троє-четверо і, по черзі кидаючи кубик, пересувають свої фішки на відповідну клітинку й виконують завдання. Гравець/Гравчиня, що не впорався/впоралась із завданням, пересуває свою фішку на дві клітинки назад. Виграє той/та, хто першим/першою дістанеться фінішу.
